□ Hindi Seva Mandal, An Overview.....

HINDI SEVA MANDAL... Was established as registered society in 1950. the year 2000 marked the new era of excellence for the society. It reached the mile stone of completing 60 years of glorious service to the community, a remarkable honour indeed !!

Hindi Seva Mandal instituted by many home grown entrepreneurs very early in 1950 to carry out optimistic philanthropic activities, to implement their foresight vision of helping and educating the society, at large. From the humble beginning with a handful of students in 1950, at D.L. Hindi High School, today the Mandal comprises of 19 institutions ranging from kinder Garten to Graduate courses in general streams and technical education, with more than 10,000 students in all.

The Mandal fore saw the need for an Engineering College in Bhusawal and the dream was realized in the form of "SHRI SANT GADGE BABA COLLEGE OF ENGINEERING & TECHNOLOGY, BHUSAWAL" to cater the needs of young India. The college is approved by AICTE, New Delhi & Govt. of Maharashtra, Affiliated to North Maharashtra University. Jalgaon.

❑ **VISION**

“To impart quality education among students by enhancing their learning aptitude and gearing up them with intellectual, physical, analytical and practical capabilities.”

❑ **MISSION**

“To build up engineers who will inherit the future so as to meet the needs of commerce and industry by providing human resources with required knowledge, skills and disseminating development along-with transferring technology.”

❑ **OBJECTIVE**

“To develop portfolio of latest engineering methodologies and skills to enhance engineering effectiveness and achieve academic excellence.”

❑ **PHILOSOPHY**

“The strength of character is imparted by our core values embedded in oneself, which have way to a perfect human being first and then a proven professional, in pursuit of excellence.”

❑ **CAMPUS**

Our college is situated on the bank of river Tapi, and flanked in between the “Zonal training Centre”, and “Shanti-dham”. The campus area is 29 acre green belt, spacious with all academic activities conducted smoothly amongst various departments. All emergency and daily needs are fulfilled by the consumer complex in the campus.

Hostel facilities with modern amenities are provided separately for girls and boys with the recreational, communicational facilities in the campus. Our students can enjoy a full-fledged social and educational life in the campus. We are doing our best to give the best possible education and training to our students with a view to prepare them for a better professional and social life.

❑ **COLLEGE OF ENGINEERING - AT A GLANCE...**

- Sound infrastructure with 29 acres green belt campus area.
- Highly qualified and well experienced staff.
- Excellent Results .
- Well equipped Laboratories .
- Air Conditioned, well Furnished Computer Centre and Library.
- Free Wi-Fi Internet facility to every student.
- Various National level seminars and training programs for staff and students.
- Excellent training and placement activities and Alumini association.
- Separate Hostel facilities for boys and girls with 24hrs Electricity supply.
- 135 KVA Generator - Power House installation for continuous electricity supply.

❑ **LABORATORY FACILITIES**

The college houses spacious, well equipped and well maintained laboratories for the different branches of Engineering viz Civil, Electrical, Electronics & Communication, Mechanical, Computer Science & Engineering. All laboratories have the necessary and latest instruments, equipments, audio/video aids etc. The laboratories in various departments have excellent learning, testing and consulting facilities.

❑ **LIBRARY FACILITIES**

Library facilities are the heart of any educational institution. The college library is beautifully illuminated, well ventilated and has a well furnished reading and learning centre and having RFID system using I - Tek Lib. management software. This rich and updated library has a large number of books, hand books as well as National and International journals: The libraries updated every year and new books and journals are added to it. Online access to information retrieval through Net, this helps the faculty members and the students to keep pace with latest change in technology and recent developments.

❑ **DIESEL SUB-STATION**

We have installed exclusively 315 KVA Transformer for the campus, also installed a 135 KVA Generator (Power House) in the institution. Both the residential & Academic premises are provided with continuous electric supply in case of load sharing & non available of supply from M.S.E.B. Mains. Now we have 24 hrs. electric supply from M.S.E.B., Maharashtra.

❑ **ELIGIBILITY**

Candidate should be an Indian nationality and who passes bachelor degree or equivalent in the relevant field of Engineering / Technology, Specified by the concerned universities for admission to a particular post graduate course from an AICTE approved Institution, with atleast 50% marks (atleast 45% in case of reserved candidate only belonging to Maharashtra State only) and candidate shall have minimum 40% marks in total performance (i.e. written test and Interview / viva - voice) conducted by competent authority.
